Tom Sawyer Community Garden Summer Programs

Offered by the E.P. "Tom" Sawyer State Park Staff and Jefferson County Extension Office Master Gardeners.

<u>Composting Trash into Treasure</u> – Friday, April 17 at 4PM near the Tom Sawyer Community Gardens. This program will cover the composting basics for your garden and your home. Compost piles are easy to create and easy to keep. Learn the best method of composting that fits your lifestyle.

<u>What is Infesting Your Garden?</u> - Friday, May 29 at 4PM near the Tom Sawyer Community Gardens. This program focuses on diseases and infestations that may invade your gardens, and the best way to prevent these problems from occurring.

<u>Keeping Your Garden Growing Through the Dry Months</u> - Friday, June 19 at 4PM near the Tom Sawyer Community Gardens. This program will cover various mulching techniques and how to conserve water while keeping your plants happy and healthy during the dry months of summer.

<u>Canning, Drying, and Freezing</u> - Friday, July 17 at 4PM near the Tom Sawyer Community Gardens. This program covers various techniques for storing and preserving your garden produce so you can enjoy them all winter long.

<u>Growing Cool Weather Plants</u> - Friday, August 21 at 4PM near the Tom Sawyer Community Gardens. This program covers the cool weather plants that can be grown while the days are getting shorter and the nights become cooler.

<u>Harvest Sampler</u> - Saturday, October 3 at 10AM to 1PM near the Tom Sawyer Community Gardens. Let us celebrate the end of the gardening season with informational booths and a food tasting contest. Bring a dish with your favorite vegetable or fruit grown in your garden, and we will vote on it!

Educational programs from the Kentucky Cooperative Extension Service serve all people regardless of race, color, age, sex, religion, disability, or national origin.
